

- ✓ Custom made
- ✓ High power inverter
- ✓ Climate control and fire protection
- ✓ Custom app and controls
- ✓ Synergrid approved

## Tecloman

### Professional battery system - Outdoor

#### Characteristics

Capacity	60kWh~500kWh
Nominal charge / discharge power	30kW~250kW
Nominal AC output voltage	400V/230V
Range output voltage	323V~418V
Frequency	50Hz
Frequency range	49.5Hz—50.5Hz
Grid connection	3P+N
Ambient temperature	-20~50°C
Relative height en humidity	=2,000m,5%~95%
Fire extinguisher	Aerosol
Climate control	Yes
Max. sound level	=65dB
Communication-interfaces	RS485/CAN2.0B
Reaction time	<20ms
Number of MPPT's	to determine
